LA><Art Garden Party

Gail and Stanley Hollander hosted the fourth annual LA><ART Garden Party at their home in Brentwood. The event was cochaired by **Rebecca Bloom** and **Irene Neuwrith**. The event was also sponsored by Tory Burch and The RealReal. **Jonah Hill**, **Molly Shannon**, **Gregory Parkinson**, **Karyn Lovegrove**, **Alex Israel**, **Andrea Bowers**, and other guests sipped Champagne and enjoyed games of tug-of-war while playing with a surrealist rope sculpture by artist **Shana Lutker**. **DJ Eamon Ore Giron** spun tunes for the artistic afternoon while supporters bid on skateboards designed by local artists. Proceeds from the silent auction benefitted LA><ART's efforts to produce exhibitions and commission works by artists in the Los Angeles community.
